

MAINVUE[™]
HOMES

LUXURY INCLUSIONS ARE OUR STANDARD

MAINVUE HOMES IS

REDEFINING LUXURY

With MainVue Homes, the difference is everywhere - but to start redefining luxury, it often begins with a breath-taking sense of satisfaction in buying a new home that is already flush with a litany of luxury inclusions - at no extra cost. Much of the credit goes to our international team of professional designers, who have selected dazzling hand-crafted finishes, fixtures and features that complement the nuances of each space in every home. These luxury inclusions are intrinsic to MainVue homes, and almost impossible to find elsewhere.

Make a designer splash with your stand-alone master suite soaking tub. Master any menu atop your super-sized kitchen island. With MainVue Homes, there's always something more. What's more with MainVue is the value in every home without an exorbitant price tag. It's about having countless luxury amenities included as standard features. It's the form and function of Grohe designer faucets. It's the sleek hardware and soft-close concealed door hinges on stunning cabinets. It's the oh-so-heavenly spray of an adaptable hand-held showerhead in the master

bath after a rough day. Clearly, it's more than innovative home plans and artfully crafted façades.

It's about finishing touches that give you a simple thrill...over and over again.

Why wait? From kitchens to baths, and outdoor living features to intimate indoor spaces, explore the next few pages to sample the possibilities of what your future can be - or what it will be with MainVue Homes. Come discover for yourself how we are redefining luxury.

- Railing topped with stained wood hand rail
- Stylish "French tuck" treads and risers give a defined upholstery-like appearance
- Safetywise half-wall selectively placed at upper floor to control views into open spaces

UTILITY ROOMS

Spacious and convenient in placement with ample space for a full-sized washer and dryer

- Premium vinyl sheet flooring carefully chosen to compliment each color scheme

EXPANSIVE WINDOWS

Essentially illuminating for appearance; incredibly engineered for efficiency. Oversized windows with Low E-glass and screens (locations per plan)

- Interior winter warmth stays where it should
- Wrapped with 6" moisture barrier

ELECTRICAL

Wired for brilliant lighting, entertaining leisure and effective communications

- Phone and cable connection at all bedrooms, leisure room, den and multi-purpose room
- Raised outlet at great room for television wall mounting
- Decora style switches throughout for easy on/off control

INTERIOR DOORS

All impressive, and stylish, interior doors

- One panel, white contemporary style doors at bedrooms and upper floor baths
- Protected solid-core, single panel door with self-closing hinges, deadbolt and chrome finish hardware connect each garage to the homes interior
- Main floor interior doors feature one panel style with frosted glass inset (locations per plan)
- Oversized, two or three panel sliding glass doors with dual glazed low E-glass
- Interior doors are accented with chrome hinges and door hardware for added sparkle and shine

GREAT ROOM FIREPLACE

Elegant in its essence. Inspired by its importance. When placing the Lennox Superior 35" gas fireplace as the focal point of the warm and inviting great room, MainVue Homes knew to make the best selection: a state-of-the-art technology with looks that will ensure years of warmth and beauty

- Surrounded by a 6" metal brushed stainless finish
- Easy maintenance and operation with no-mess, no-sweep cleanup
- Easy and convenient on/off operation controlled by wall switch
- Battery pack for emergency back-up operation
- Extra large and brilliant flame
- Contemporary interior refractory finish in blackened steel

FEATURE STORAGE SPACES

Perfectly placed storage spaces

- WALK-IN LINEN CLOSETS - Extensive white wire shelving (per plan)
- MASTER DRESSING ROOM - Spacious dressing room with the perfect amount of wire shelving to complement space
- GARAGE STORAGE - A dedicated space in the garage for storage (per plan)

CEILING, WALLS & NICHES

No MainVue Home is complete without the proper finishing touch to walls and ceilings

- Clean-cut square corners for extra modern finish
- Wall niches added throughout to offer a designer accent element (per plan)
- Walls and ceilings are finished off with a light fog and dash texture (excluding garage)

ADDITIONAL ENERGY SAVERS

Look for these features to make each MainVue home energy efficient

- Furnace and duct system - sized per house to ensure optimum performance, maximize comfort, lower energy usage and energy bills
- Energy efficient LED lighting - recessed energy saving can lighting throughout
- Ultra series tankless water heater from Rinnai - only runs hot water when needed
- High performance weather-resistant 60 Minute house wrap provides optimal breathability, to prevent the potential for moisture condensation within exterior walls
- R49 blown fiberglass insulation in attic stabilizes whole home temperature
- R21 fiberglass batt wall insulation in exterior walls to help maintain a consistent and comfortable temperature
- Bryant Preferred 96t Gas Furnace is up to 96.5% efficient creating consistent flow of heated air to reduce hot and cold spots to provide the best possible combination of comfort and energy efficiency
- Super sealing throughout in exterior sole plates, can lights and electrical boxes all added to reduce heating and cooling costs

THERE'S EVEN MORE INCLUDED!

All MainVue Homes are flush with luxury inclusions

EXQUISITE EXTERIORS

TOP LUXURY INCLUSIONS

EXTERIOR FEATURES

Impressive and stately entries

- Designer accents with brick, stacked stone, stone block, tile or stucco (per plan)
- Bountiful natural light illuminates interior through accent and side windows (per plan)
- Dynamic curb appeal for every facade

FRONT ENTRY DOOR

Dynamic, customized wood and glass entry door

- Solid wood door with frosted glass inserts
- Secure, keyed entry set with dead bolt in designer chrome finish
- Bright chrome hinges for unparalleled entry experience
- Solid brass handle set in sleek and contemporary styling finished in chrome

FRONT EXTERIOR LIGHTING

Illuminate your home with a variety of brilliant light

- Dark sky rated wall lantern at garage
- Recessed can lighting at entry for added accent and security

COLOR SCHEMES

Exterior color schemes selected by the MainVue international design team

SIDING STYLE

Long-lasting, climate-worthy protection. This industry-leading Custom Colonial fiber-cement siding adorns and protects each home with a blend respected for its strength, beauty and durability

ROOFING

Reliable, sustainable, efficient. These durable Northwest-tested low-maintenance laminated fiberglass asphalt shingles handle Washington state's powerful climate with a striking appearance enhanced by depth, dimension and color

- Extra-dimensional premium shingles with Class 4 impact resistance rating

DRIVEWAYS & LEAD WALKS

Safe, stylish and sophisticated. Incorporating the versatility of exposed aggregate concrete at drives, walkways and the front porch immediately complements every exterior finish treatment and style it's paired with

- Durable and non-skid surface ideal for Northwest seasonal weather changes

GARAGE DOORS & FEATURES

Outstanding curb appeal in sleek garage doors

- Garage door with enamel finish and Plain Lite windows for extra interior light
- 1/3 horsepower chain-drive garage door opener with two remote transmitters features extra safety and security features, including infrared sensing beam and technology to prevent security code theft
- Garages are standard with a GFCI protected outlet

PROFESSIONAL LANDSCAPING

Lush, green and textured. Professionally designed front and rear landscaping

- Locally native plants accustom to local climate
- Environmentally responsible landscaping techniques complement exteriors
- Designs include stained cedar fence with a pedestrian gate

OUTDOOR ROOM

OUTDOOR ROOM

MainVue Homes signature outdoor room creates a seamless flow that brings the outdoors in, and the indoors out

- A generous space with one to three sides that connect the house to the outdoor space (per plan)
- MainVue outdoor rooms allow natural light to flood into the space while still providing cover and protection from the elements

OUTDOOR ROOM LIGHTING

Light up your outdoor room with recessed can ceiling lights

FLOORING

Cedar deck surface with durable stain and carefully crafted steps lead to rear yard

OVERSIZED SLIDING GLASS DOORS

All outdoor rooms are covered and accessed via one, two and sometimes three full glass sliding doors

- Oversized sliding glass doors allow for generous passage between the inside of the home and the outdoor room spaces
- Dual glazed low-E glass is tempered for safety
